2. I have appointed two toll collectors in the scale of Rs.24.1.32-½.35. and three peons in the scale of Rs.18-½-25 with usual D.A. for the collection of tolls departmentally. My action in having appointed the staff in anticipation of Government sanction may be approved and necessary sanction may also be accorded.

3. As there was no building which could be utilised for the purpose of a toll shed and as the construction of a toll shed will take time I have permitted the staff to occupy a portion of a private building that was available at the locality on a rental of Rs.10/- P.M. I request that my action may be approved.

4. The particulars of toll collection from 2.6.54 to the end of November 1954 are as shown below:

		Rs. a. p.
June 1954	...	388--7--0
July 1954	...	413--7--0
August 54	...	343--4--0
September 54	...	304--8--0
October 54	...	470--2--0
November 54	...	578--1--0

		13--0

The Collection is likely to go up in the ensuing months. The expenses incurred towards pay of staff and towards providing necessary equipment viz,~~m~~ furniture lanterns notice board, barricades, danger lights etc incurred upto the end of November 1954 is Rs.1116-3-9. Thus there is a net income of Rs.1321-2-3 by the levy of toll up to the end of November 1954.

5. I am taking action to auction the right to collect toll over this bridge with reference to the instructions in G.O.No. 3630 L.A. dated 1.12.~~2.~~52 A notification under rule 13 of the said G.O. fixing the sale for 26.3.55 at Udipi Taluk office is being sent to the Controller of stationary and Printing Madras for publication in the District Gazette.

In my report cited (1) I had reported that the total expenditure towards pay of staff, providing necessary equipment, etc upto November 1954 was Rs.1,116-3-9 leaving a net income of Rs.1321-2-3. On further verification, however, I find that the rent for the Toll Gate shed for the months of June 54, July 54, and August 54 was not included in the total expenditure already reported when the sum of Rs.30/- is included in the total expenditure, the figures will be as follows

Total income from toll collections till the end of November 1954.	Rs. 2,437--6--0
Expenditure till end of November 1954	Rs. 1,146--3--9
Nett income till the end of November 54	Rs. 1,291--2--3
